GUEST POLICIES:

Booking Appointments ~

Our services are booked by appointment only. Please call as far in advance as possible so we can accommodate you. Generally, a few days to one week's notice may be needed.

Arrival ~

If this is your first visit to the spa, please arrive 15 to 20 minutes early. This will allow plenty of time to fill out a Client Information and Health History, as well as answer any questions you may have.

Late arrivals ~

If you happen to arrive late for your appointment, your treatment time may need to be shortened. Our therapists as well as the rooms are often booked for another service immediately after your appointment.

Insurance Billing ~

We accept most medical insurances for Therapeutic Massage benefits. We will make every effort to collect payment from your insurance company based on the information you have provided to us. In the event we are unable to collect payment, you will assume full responsibility for the payment of services received.

Promotional Offers ~

The BrickHouse has a variety of different promotional offers that may be available through different customer programs. We are only able to allow you to use one promotional offer per visit. Please choose the one offer that is best for your visit today and save any others for later visits to the BrickHouse.

Therapists ~

Yes! All of our Therapists and Technicians are licensed. We have both male and female therapists on staff. If you have a preference, please let the receptionist know at the time of booking. Also, if you have enjoyed your experience with a certain therapist in the past, feel free to request them again.

Cancellations ~

If you need to cancel your appointment, please give as much notice as possible. Less than 24 hours notice of cancellation or any changes to your appointment are subject to a charge of 50%. For large groups, multiple services and appointments valued at over \$100, a credit card deposit for half of the cost is required at booking. Last minute cancellations or no shows will be charged 100% of the service amount.

What to Expect ~

Generally clients undress completely for massages and spa treatments. Our therapists are trained in professional draping and will keep you covered at all times, exposing only the area of the body that is being worked on.

Open Communication ~

Your comfort level is our top priority. Therefore at any time, please feel free to let us know if we can adjust any part of your experience to accommodate you, including light, music, temperature, or the pressure of the massage.

Spa Attire ~

Wear whatever you want to when you come to the BrickHouse. We are a relaxed and comfortable setting. Robes and slippers are provided if you are here for a spa party or if you will be enjoying more than one service during your visit.
